No. 15825-6—L. F. 253-92, DATED, BANGALORE, 22ND MARCH 1894.

ORDER THEREON.—Government observe that the House tax in the Mysore Municipality is levied under the old Mohatarfa rules and not under the Municipal Regulation, and so no Government building is liable to the tax.

2. The taxes on animals and vechicles are also levied not under the Regulation, but under the late Chief Commissioner's Orders of 1871. Although animals and vechicles belonging to Government are not specially exempted from taxation in the order above referred to, still it was clearly not the intention of Government that any tax should be collected on them, and in fact no tax was ever collected on them. The Mysore Municipality cannot therefore now impose any tax upon them. It is for the Government to give the Municipality such help from time to time as it may deem reasonable after due consideration of the requirements and resources of the Municipality and this the Government has done in the past and will continue to do in future.
